“What do I have to do to maintain my Autopact PlatinumOne Protection Plan?”

To enjoy the benefits of your Autopact PlatinumOne Protection Plan, your vehicle must be serviced by one of our Dealerships in accordance with the specifications set out in the owner’s manual, during both the Manufacturer’s Full Warranty and also our PlatinumOne Protection Plan (Diesel and Turbo Vehicles may require engine oil changed more frequently in accordance with the specifications set out in the owner’s manual). It is the responsibility of the Purchaser to ensure these services are performed and that the service details are recorded correctly in your owner’s handbook/manual.

“Will my Autopact PlatinumOne Protection Plan still be valid if I service at another Dealership?”

No - Failure to service your vehicle at an Autopact Dealership (at one of our service locations listed on the back page) in accordance with the specifications set out in the owner’s manual will void your Autopact PlatinumOne Protection Plan.

“Am I responsible for any maintenance on my vehicle?”

It is the responsibility of the Purchaser to check coolant and oil levels on a regular adequate basis. The Dealership will not be responsible for failure due to lack of oil or coolant.

“Is there a \$ limit on repairs that the Autopact PlatinumOne Protection Plan will cover?”

Yes – the dollar value limit depends on your coverage level. See copy of your contract for information about the coverage levels.

Limits of Liability

Limits of liability of this Contract shall be those indicated under “LIMITS OF LIABILITY” shown on the Customer Contract page as issued to the Purchaser.

Please note that there is a maximum amount that can be claimed for any one repair, and depending on the Type of Plan issued to you, there may be an overall limit of liability.

“What is the Repair Procedure under my policy?”

In the event of failure likely to give rise to a claim under this PlatinumOne Protection Plan, the Purchaser shall, as soon as is reasonably possible:

- 1) If the vehicle is drivable, bring it to any of our workshops, the address of which is listed on the back page of this policy booklet. We will contact the Autopact PlatinumOne Protection Plan Administrators for verification. Your Contract booklet must be presented, with up-to-date servicing records, when booking your vehicle for repairs.
- 2) If the vehicle is undrivable, or if driving it could cause further damage, it is your responsibility to have the vehicle towed to one of our Service Departments.

The Dealership will not be responsible for any repairs or replacements carried out by persons other than our staff.

- 3) If you do not have Roadside Assistance and a failure occurs outside a 50km radius from an Autopact Dealership, please contact our Plan Administrators, on 1300 728 687, to obtain a Dealership order number and/or work authority, before commencing repairs. Repairs can only be performed by a Licensed Motor Vehicle repairer.
- 4) If you do have Roadside Assistance and a failure occurs outside the Towing Distance Radius (as indicated in the box under the “TERM OF PLAN” shown on the Customer Contract page) from any of OUR workshops, please contact the Autopact PlatinumOne Protection Plan Administrator, on 1300 728 687, to obtain a work authority before commencing repairs. Repairs will only be approved when performed by an approved Licensed Motor Vehicle repairer.

Only if this is done correctly will you (or the repairer) be reimbursed.

Your Rights & the Australian Consumer Law

Consumer guarantees under the Australian Consumer Law (“the ACL”), which is Schedule 2 of the Competition and Consumer Act 2010 requires that any vehicle sold:

- a) be of acceptable quality (s 54 of the ACL);
- b) be fit for the purpose for which they were acquired (s 55 of the ACL);
- c) correspond to any description attached to the goods prior to the sale (s 56 of the ACL);
and
- d) correspond to any sample of the goods that was offered to the consumer prior to the sale (s 57 of the ACL).

In determining whether or not a vehicle (or part) is of ‘acceptable quality’, the factors described in s54(3) of the ACL will need to be considered, namely:

- a) the nature of the goods; and
- b) the price of the goods (if relevant); and
- c) any statements made about the goods on any packaging or label on the goods; and
- d) any representation made about the goods by the supplier or manufacturer of the goods;
and
- e) any other relevant circumstances relating to the supply of the goods

A vehicle may also have an additional Statutory Warranty. The provisions vary from State to State. This Statutory Warranty may be in addition to, or overlap the ACL and may also operate concurrently to the ACL.

The protection afforded to you under the Autopact PlatinumOne Protection Plan is in addition to, and does not substitute for, the rights you have under the ACL. If and to the extent that you have a right to claim under the ACL, you need not claim under your Plan.

Furthermore, there are additional guarantees and remedies available to you, as a consumer, under the ACL, in relation to any services provided to you under this Autopact PlatinumOne Protection Plan and this Plan does not limit those rights, remedies or guarantees.

The comparison table on the next page summarises the cover (guarantees) provided under the ACL and the cover provided by the Autopact PlatinumOne Protection Plan.
